## **OLD BUSINESS**

Licensing – Township Deputy Clerk Jean Golisano reported that 422 dogs and 51 cats have been licensed so far this calendar year. On March 1, 105 dogs and 10 cats were still unlicensed. By April 1, the totals were down to 17 dogs unlicensed and three cats. Of the summonses issued, 30 were dismissed because the owner moved or the pet passed away. Court date is April 26 for summonses.

Mr. Bauder suggested changes to the licensing forms to include if your pet passed away. He noted a concern about mail delivery problems in Cranbury causing people to not get their summons.

Census – Mr. Bauder suggested that the census information is made available to all township residents. The Board recommended he direct inquiries to the township Animal Control Officer.

No Smoking in Public Parks – Working Session to address comments from Township Committee and Environmental Commission

Subsequent to a review and discussion regarding concerns of the Township Committee, few changes were made to the ordinance: The Health Officer and the Board of Health are the enforcement agencies; smoking shall be prohibited in Millstone, Heritage and Village parks and the Cranbury Brook Preserve; section 167-4 part B was deleted.

The revised ordinance was approved on a motion by Sid Roychowdhury; seconded by Roop Grewal. All others were in favor. Motion carried.
