

Cranbury Bicycle Network Plan Public Input Meeting

ONLINE MEETING

TUESDAY, JUNE 23, 2020

12:00PM TO 2:00PM

CRANBURY IS INTERESTED in improving bicycle access along the roadways that connect across the town. The final product, a **Bicycle Network Plan**, will recommend a variety of changes to make bicycling a safer and more attractive option for residents of all ages and abilities.

Please join us in a virtual meeting to learn about the plan, view the initial design concepts, and provide your feedback! The meeting is open to all, but pre-registration is required.

The Complete Streets Technical Assistance Program is a collaboration between Sustainable Jersey, the Voorhees Transportation Center at Rutgers University, and the North Jersey Transportation Planning Authority (NJTPA). Funded by the NJTPA, the program is designed to support municipal government efforts to advance complete streets initiatives.
