Dear Cranbury Resident,

The Historic Preservation Commission has secured a grant that will update the Historic District Inventory within Cranbury Township. This notice is to inform you that Richard Grubb & Associates, Inc. is the consultant who will be working on the grant project throughout June to September 2017.

The grant project is to execute an Intensive Level Survey Inventory of historic properties located within Cranbury's Historic District. Your property will be viewed from the sidewalk and or public right of way to gather information to perform and include on the field survey. Photographs and historic features will be noted and shall be included on the survey.

Once completed, this information will be sent the NJ State Historic Preservation Office, the Historic Preservation Commission and will be included with Geographic Information System data mapping.

The Cranbury Township Historic Preservation Commission (HPC) appreciates your cooperation and will make the information gathered for this grant available to those requesting it. Should you have any questions please do not hesitate to contact the HPC office at 609-664-3129.
