MEETING GUIDELINES (In Person)

When addressing the Committee, the Committee requests that the public observe the following procedures to ensure that every citizen is treated courteously and has an opportunity to speak:

- **Posted room capacity of 49 must be adhered to. No seating in aisles or on heating registers.**
- **We will limit the time for each speaker to 3 minutes to be monitored by the Township Clerk.**
- **If there is a large crowd in attendance, we reserve the right to use a sign-up sheet to keep track of speakers' order.**
- **When you are acknowledged, please come forward to the front table when you speak.**
- **When recognized by the Mayor, state your name and address for the official record before directing your question or comment to the Committee, not the audience.**
- **We ask that other members of the public show the courtesy to the member speaking; applauding or other displays of approval/disapproval are discouraged, as are direct questions or comments to the speaking member of public.**
- **All speakers are expected to be truthful in their comments to the best of their knowledge and ability.**
- **People cannot cede all or portions of their three minutes to other speakers.**
