Cranbury Township Statement on Public Comment during Remote Meeting

The public may electronically submit questions or comments to jgolisano@cranbury-nj.com or in written letter form via mail to Cranbury Township Town Hall no later than 3:00 p.m. the day of the scheduled Committee Meeting. Name, address and phone or email must be included. Timely submitted questions or public comment shall be read aloud and addressed during the public meeting. Duplicate written comments may be summarized and noted for the record in a consistent manner.

To eliminate background noise so that all meeting participants may hear, please mute your microphone and remain in listening mode only. The Board Secretary will place all remote attendees on this platform on mute as well and will manage the order of the remote participant's comments. During public comment period(s), the Board Secretary will make an announcement that any remote participant seeking to comment must signify their intent by using the "raise hand" feature on Zoom. The Board Secretary will then unmute each participant individually when it is their designated time to speak. If you do not have a question or comment, please keep your microphone muted. Please unmute yourself only at the direction of the Board Secretary. All remote users must state their name and address at the beginning of his/her public comment. Each speaker will have three (3) minutes to comment.

Should a member of the public using the Zoom platform become disruptive, that individual will be kept on mute and receive a warning that continued disruption may result in their being prevented from speaking or removed from the meeting entirely. If time permits, the disruptive individual shall be allowed to speak after all other members of the public have been given the opportunity to speak. The Commission will facilitate a dialogue with all commenters to the extent permitted by Zoom technology
