MEETING GUIDELINES

When addressing the Committee, the Committee requests that the public observe the following procedures to ensure that every citizen is treated courteously and has an opportunity to speak:

- **Posted room capacity of 49 must be adhered to. No seating in aisles or on heating registers.**
- **We will limit the time for each speaker to 3 minutes to be monitored by the Township Clerk.**
- **If there is a large crowd in attendance, we reserve the right to use a sign-up sheet to keep track of speakers' order.**
- **When you are acknowledged, please come forward to the front table when you speak.**
- **When recognized by the Mayor, state your name and address for the official record before directing your question or comment to the Committee, not the audience.**
- **We ask that other members of the public show the courtesy to the member speaking; applauding or other displays of approval/disapproval are discouraged, as are direct questions or comments to the speaking member of public.**
- **All speakers are expected to be truthful in their comments to the best of their knowledge and ability.**
- **People cannot cede all or portions of their three minutes to other speakers.**
