TOWNSHIP COMMITTEE RE-ORGANIZATION
MEETING
January 2, 2009

Ms. Stave welcomed back former Township Committeeman Wayne Wittman in the audience.

Following are remarks given by Mayor Stave:

"It is an honor and privilege to serve as your Mayor this year, 2009. Before we begin, I want to thank David Stout for serving in that role for the past two (2) years; he set a very high bar that I do not have a chance of meeting but at least it is a worthy mark to try to achieve. He brought to the role his intelligence, his fairness, his humanity, his commitment and a great investment of his personal time and wealth of experience and I am very grateful to him for it and his past two years of service as we all are. Secondly, I would like to welcome Win Cody to the Committee. Win your presence here will be a breath of fresh air and we all are looking forward to working with you and helping you in any way that we can. I know that you will bring a great new perspective and energy to the Committee and we all are looking forward to the camaraderie and to work together. I also want to thank in advance, Chris Smeltzer, our Township Administrator, Kathy Cunningham, our Township Clerk and the entire Township Staff, some of whom are here today, our Professionals and the many volunteers in our community; I see a lot of you in the audience now, who are the backbone of this community and really drive what we do here and thank you in advance for all of your efforts for the coming year. This is my second term as Mayor. I was Mayor in 2003 and I humbly recognize that in our weak Mayor-form of government my role is simply to run these meetings with the goal of fostering an open dialogue with the public and among all of us; simply to achieve consensus of maximum amount of input from the Community. I think that what I can bring to it is my experience in communications. I did work on the establishment of the web site for the Township and I opened the meetings up to be taped so that we would always have a record of them and theretofore did not. What I would like to focus my energy on this year is making sure we have open communications and improve on the systems we already have. That said we have a lot of challenges, the least of which, Budget, holding down taxes, keeping a stable tax rate, cutting costs wherever possible and COAH. COAH remains one of our highest priorities. This is a small town and we enjoy a lot of closeness and community and I think we all think we are in this together; we have common goals. I think we can work together as neighbors in a non-partisan way and try to achieve these ends to the greatest extent possible. I look forward to that challenge and to working with all of you."

Mayor Stave announced she was making a change to the Agenda by moving Resolution # R 01-09-015 as the next order of business and asked Mr. Stout to read the resolution:

Public Comment

The Mayor opened the meeting to public questions and comments on those items not on the agenda. There being no comments, the Mayor closed the public part of the meeting.

Mr. Stout stated, as Mayor Stave mentioned in her remarks, one of the Township Committees' goals is to keep taxes stable for 2009 and one element the Township Committee needs to consider, beginning with next Saturday's Budget Meeting, is that the rate at which we generate revenue will change; we generate revenue with a penny of tax based on the assessment of homes. Given the economy, the Assessor has had a Compliance Plan approved to basically, in mass, lower the assessed value of the homes in our Township. The Township Committee will need to consider this during the Budget process. Right now, a penny of assessed value generates \$180,000 and it will now go down from that figure. ✓

On motion by Mr. Stannard, seconded by Mr. Stout and unanimously carried the meeting adjourned at 5:25 p.m.
